

ACTSEA 2021

NOV. 15 — NOV. 17, 2021
GIS NTUT | TAIPEI, TAIWAN

7th International Symposium on Advanced Ceramics and Technology for Sustainable Energy Applications toward a Low Carbon Society

Scope & Venue

Due to the success of the last 6 ACTSEA International Symposium, we cordially invite you to attend the 7th ACTSEA. The purpose of the symposium is to bring together academics, researchers, and students, who have been actively engaged in the research and development of advanced ceramics and technologies for sustainable energy, to discuss the up-to-date progresses in all aspects of energy science & technology, and applications. The ACTSEA 2021 will be held from November 15 to 17, 2021 at National Taipei University of Technology in Taipei, Taiwan

Main Theme & Proposed Topics

Abstracts are accepted on all aspects of ceramic materials/processing for energy efficient and low-carbon economy, including :

- Thermoelectrics
 - Fuel cells
 - LED
 - Nuclear
 - Photovoltaic / Solar power
 - Battery and energy storage
 - Alternative energies
 - Energy efficiency technologies and applications
 - Materials with higher performance under extreme conditions (temperatures, speeds...etc.)
 - Materials and technologies for a low carbon, sustainable society
- English is required for abstract, papers, posters and oral presentation.*

Organized by

Taiwan Ceramic Society

ACerS-Taiwan Chapter

National Taipei University of Technology, Taiwan

Hierarchical Green-Energy Materials Research Center

Sponsored by

National Taipei University of Technology, Taiwan

Ministry of Science and Technology, Taiwan

Endorsed by

Co-jointed Conferences

- TACT 2021 International Thin Films Conference
- 2021 MRSTIC (Materials Research Society-Taiwan International Conference)

Remark:

When you complete full registration for one of ACTSEA 2021, TACT 2021 and 2021 MRSTIC, you can participate in the entire Materials Week.

Committee

- Sea-Fue WANG
Honorary Conference Chair
President of National Taipei University of Technology, Taiwan
- Eric YEH
Conference Chair
President of Taiwan Ceramic Society.
- Wei-Hsing TUAN
Conference Co-Chair
Chair of ACerS-Taiwan Chapter; National Taiwan University, Taiwan.
- Jow-Lay HUANG
Hi-GEM Director, National Cheng Kung University, Taiwan.
- Kuan-Zong FUNG, National Cheng Kung University, Taiwan.
- Hua-Tay LIN, Guangdong University of Technology, China.
- Tatsuki OHJI, AIST, Japan,
- Sanjay MATHUR, University of Cologne, Germany.
- I-Ming HUNG, Yuan Ze University, Taiwan.
